## EMG 4.3T

Machine occasion    N° de stock : **DB30416**

|                         |               |
|-------------------------|---------------|
| Vermogen                | 4300 Kg       |
| working stroke          | 0-40 mm       |
| Verstelbare hoogte      | 175 mm        |
| Uitlading               | 110 mm        |
| Ram adjustment          | 0-40 mm       |
| Bore of the ram         | Ø16H7 x 30 mm |
| Motorvermogen           | 1910 PK       |
| maximum air consumption | 5.2 l         |

|                     |                |
|---------------------|----------------|
| Boring van de tafel | 30 mm          |
| Tafelafmeting       | 305x190 mm     |
| Dalingsnelheid      | 2160 mm/mn     |
| Formaten            | 370x704x669 mm |
| Gewicht             | 150 Kg         |
| Jaar                | 2017           |

Options :

Base 600x620x730 mm

Force transducer 50kN 8451-6050, scale travel 50 mm, amplifier 9236-V000, display AX350 option AO+CO
